MEDICAL DEPARTMENT.

Circular Memo., No. 660, dated the 21st November 1874.

POST MORTEM EXAMINATIONS IN CASES OF UNNATURAL AND SUSPICIOUS DEATHS.

1. The attention of Medical Officers and of Medical Subordinates is called to the Officiating Judicial Commissioner's Circular Order No. 13, dated the 6th November 1871, to Section II, paras 140, 141 of the Medical Code, Volume I, page 46, and to Section III, paras 141—147, Volume I, page 74, of the same Code.

2. Recent circumstances have rendered it necessary to supplement these several rules by others, which shall require from the Medical Officer conducting the post mortem, that he shall submit to the proper authorities without delay, his report on the post mortem appearances, along with the inference or inferences he has deduced therefrom.

3. It is directed that a copy of this Circular and of these rules shall be hung up in a conspicuous place in each Hospital and Dispensary in Mysore.

JUDICIAL POST MORTEM EXAMINATIONS.

Special Rules.

1. Medical Officers are required to submit, in a formal report, the results of the post mortem examinations held by them, along with the inference or inferences deducible therefrom, to the Civil authorities, within one week from the date of such examinations.

2. Should the Medical Officer conducting the post mortem examination desire to be furnished with additional facts in connection with the history of the case before pronouncing a final opinion, he is to embody the expression of such reservation in his report.

3. These rules do not alter the procedure in cases of actual or suspected poisoning, the reservation in such cases being dependent upon the submission of the report of the Chemical Examiner.
